

Gordon and Heather have been living part-time (8 months of the year) on Denman Island over the past 15 years. During this time they have seen the housing prices appreciate and affordability deteriorate.

They want to support more affordable housing options in the community but they are concerned of the impact increased housing options may have on traffic and noise in their neighbourhood.

How important is it to address Gordon and Heather's housing needs in Denman Island?

<input type="radio"/> Not important	<input type="radio"/>	<input type="radio"/> Somewhat important	<input type="radio"/>	<input type="radio"/> Very important
--	-----------------------	---	-----------------------	---

What kind of housing may be appropriate for Gordon and Heather's support on Denman?

What will make this type of housing successful?
